

Mojito

The House Special

With its origins in Cuba, the Mojito is a combination of sweetness, refreshing citrus, and mint flavours that is intended to complement the potent kick of rum which has made this a popular summer drink. At WIP, apart from the classic flavours, our mixologists have taken advantage of the abundance of exotic fruits in Malaysia and concocted many heavenly flavours. WIP serves the largest range of Mojitos in Kuala Lumpur.

Single Malt Whisky

THE TRIPLE DISTILLED
AUCHENTOSHAN
 SINGLE MALT SCOTCH WHISKY

The only distillery in Scotland to triple distill every expression which is time consuming and costly but also absolutely unique, allowing the gentle flavours to become enriched while leaving much of the heavier character behind. Auchentoshan is the highest distillate (81%) of any Scottish single malt and is produced on the outskirts of Glasgow since 1823, drawing on the city's finest pure water source that runs through every household tap. Truly a single malt that's smooth, distinct yet resplendent of style and substance.
